

Dear Corporate Relations Leader,

Grandma's House of Hope is excited to celebrate another year of service to Orange County's most vulnerable. We appreciate the many individuals, companies, foundations and organizations who have partnered with us to further our mission of Empowering the Invisible Populations of Orange County. Thanks to this collaboration, we have rescued and restored more than 2,300 women since GHH's founding 12 years ago. Now our housing and supportive services are needed more than ever before - particularly among survivors of human trafficking. Please unite with us in ending human trafficking and in providing a safe, supportive home for survivors to heal, recover and rebuild.

We invite you to join us by sponsoring and attending our 2019 Gala, which is dedicated to raising awareness of human trafficking. Our event will be an evening to remember with heartfelt testimonials, dinner, live music and an auction.
